Sherita's a different kind of speaker . . .

She's a Motivator

She brings a unique kind of message to her audiences

She's a Grant Workshop Facilitator

She's a Radio Personality

She's a Best-selling Author

She's a Business idealist and strategist

She's a Community and economic development expert . . .

. . .She's a speaker your audience will never forget!

Her thought provoking ideas & effective strategies invoke lasting effects.

o How many speakers have aided in raising millions of dollars, developed hundreds of businesses and coached thousands all over the world, including: Australia, Belgium, Canada, Central America, China, England, France, Germany, Ghana, Guatemala, Haiti, India, Mexico, Namibia, Nicaragua, the Philippines, Sierra Leone, South Africa, Trinidad, Tobago and others?

o How many presenters have accomplished the following:

- -served as a consultant for celebrities, entertainers and professional athletes
- featured in performance magazine with First Lady Michelle Obama
- honored with R&B Songstress Chaka Khan, comedian Monique Hicks and others
- recognized for her numerous community accomplishments by former LA Mayor James K. Hahn
- provides business coaching strategies for numerous city officials, school districts, churches and grass roots organizations

o How many speakers provide grant information that's available for city municipalities, poets, film producers, meditation, actors/actresses, business development, recording studios, authors, inventors, health, fashion/interior design, and more!

o How many business conferences have you attended and "nobody" spoke about for-profit and nonprofit collaborations to create additional revenue streams through grants?

Contact her to empower your audience, to entertain and educate your business group, to engage your colleagues, or to captivate your graduates for lasting results!
